

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 94-317-C - ORDER NO. 94-547
JUNE 8, 1994

IN RE: Request of Chesnee Telephone Company, Inc.)	ORDER
for Approval of Revisions to its General)	APPROVING
Customer Services Tariff to Introduce)	TARIFF
Restricted Toll Access as a New)	
Offering (TN 94-97).)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Chesnee Telephone Company, Inc. (Chesnee or the Company) for a revision to its General Customer Services Tariff to introduce Restricted Toll Access as a new offering. If this tariff is approved, subscribers may be restricted from access to toll service which may include restricted access to any and all interexchange interLATA or intraLATA carriers.

By letter dated April 26, 1994, the Commission's Executive Director instructed the Company to cause to be published a prepared Notice of Filing, one time, in a newspaper of general circulation in the area affected by the Company's Application. The Notice of Filing indicated the nature of the Company's Application and advised all interested parties desiring participation in the scheduled proceeding of the manner and time in which to file the appropriate pleadings. The Company furnished

affidavits demonstrating that the notice had been duly published in accordance with the instructions of the Executive Director. A Petition to Intervene was filed by the South Carolina Public Communications Association (SCPCA).

Subsequently, SCPCA agreed to withdraw its intervention, effective upon Chesnee's amendment of the tariff to delete any reference to the availability of the Restricted Toll Access Service to COCOT providers. Chesnee duly filed the amended tariff on June 1, 1994. The Commission, therefore, grants SCPCA's Motion to Withdraw. Since there are no intervenors left in the matter, the Commission will now proceed to make its decision without a hearing.

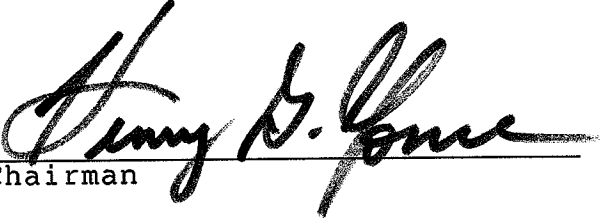

It appears to this Commission that the June 1, 1994 amended filing of the Restricted Toll Access Tariff is in the public interest. Subscribers, at times, have interest in restricting access to any and all interexchange interLATA or intraLATA carriers, therefore, the Commission believes that the revised tariff should be approved as filed.

IT IS THEREFORE ORDERED THAT:

1. The revised Restricted Toll Access Tariff filed June 1, 1994 with this Commission is hereby approved as filed.
2. SCPCA's Motion to Withdraw is hereby granted.

3. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Chairman

ATTEST:

Executive Director
